Yard on the Cliff, Whitby. Here is one of the oldest bits of the town, a yard of one of the quaint and narrow streets that climb steeply up the cliff on the left bank of the Esk, which river divides the town of Whitby into two parts. The two halves are connected by a bridge, whose central portion is lifted to let vessels pass through. The older quarter of the town is largely inhabited by the fishing population.

Dear Hugh
Just a line to send you a set of Grandad's Whitby views. I will write Broadley to send you one of the Abbey. Hope you are all well at home
